ORAL CARE INSTRUCTION & ORAL SCREENING

Good morning, this is Pacific Kids Dental team and we would be meeting with your child to teach about important of *oral care*. Also, *Visual Oral Screening* is available if needed.

Student will receive:

Step 1:

- Oral hygiene instructions: Brushing & Flossing techniques
- Classroom activities
- A take-home parent brochure with FREE toothbrush, toothpaste, and floss.

Step 2:

- Visual oral screening
- A take home form of student's oral care condition with recommendations

If your children is interested in visual oral screening, please sign the bottom and return it back by **Wed., 5/25/16**. Thank you.
